5. Quarterly Team Meetings

A good mind. A good heart. A strong fire.

Special Jean Day Celebrations

It's all about the 7 gens..

Domain 7

Access to Care

We fight for accreditation & health education in the Oneida way!

We **SACKED** Domain 1!!

A good mind. A good heart. A strong fire.

Email Communications

Public Health Accreditation Update to CHS Dept

With the completion of our afterhours emergency contact drill, I'm excited to report that the review of **Domain 1** is now complete. Another HUGE accomplishment! You can see from the pie graph below, Domain 1 was a pretty significant piece. Special thanks to Eric Krawczyk for preparing documents for this Domain.

Evidence for Domain 1 focused on how we conduct and disseminate assessments on population health status and public health issues facing the community.

We have prepared information on what we do to:

- Conduct our Community Health Assessment (CHA)
 - Collect and maintain reliable, comparable and valid data that provide information on conditions of public health importance and on the health status of the population
 - Analyze public health data to identify trends in health problems, environmental public health hazards and social and economic factors that affect the public's health
- Provide and use the results of health data analysis to develop recommendations regarding public health policy, processes, programs and intervention.

To celebrate this accomplishment, we have received approval for a special Jean Day for the entire Community Health Services Department staff on **Tuesday 09/20/16**. Hooray!!! We now have three Domains down, nine more to go....

Color Coded Progress Graphs

Red- No review yet

Yellow- greater than 50% complete

Green- 100% complete

A good mind. A good heart. A strong fire.

Branding Activities

“Community Health Services- Nursing, Michelle speaking. How may I help you”
