# Outreach & Education

## Alaska Tribal Conference on Environmental Management (ATCEM)

# Response to the COVID-19 Pandemic

## Mobile Mask Sanitizing Unit

- Mask distribution
- Data Tracking
- Development / distribution of outreach materials

## Statewide Hand Sanitizer Distribution

### Bulk Sanitizer Item Request Form

ANTHC will be placing orders for empty plastic bottles for use with the hand sanitizer.

If you would like empty bottles with your hand sanitizer order, please indicate the item quantities you would like in the form below and return to Adam Harris | Covid19Plan@anths.org. Quantities may vary based on availability from vendors.

The hand sanitizer comes in 5 gallon buckets and will include a pump for transferring into the smaller containers.

Item	Size Option	Quantity Requested	Image (Actual container shape may vary)
Hand Transfer Pump. (Compatible with 5 gallon bucket)			
Transfer Spout (Compatible with air shipped containers)
